Reference Year End Report (7/1/2001 - 12/31/2001)

Dear Ms. Kang:

This letter is prompted by the Commission's preliminary review of the report referenced above. The information you requested is as follows:

Line 6(a) of the Summary Page

Line 6(a) of the Summary Page stands correct. After the amended correction on the Mid-Year 2001 report, the cash on hand would be correct.

Lines 7, 21(b), 21(c) Column B of the Summary and Detailed Summary Page

Line 8 - Cash on Hand

Due to a computer error the totals were incorrect and we have filed an amended report to correct this and show the 'Calendar Year-to-Date totals'.

Administrative Expenses

Please note that the Committee has responded to this question on the amended report of Mid-Year 2001 Report for the period 1/1/2001 to 06/30/2001.

Schedule B for Line 23 - Office Sought Information

The Committee has amended Schedule B for Line 23 to include the office sought by the candidates to whom the Committee made contributions during this reporting period.

Itemized Disbursement Description

The review raised a question concerning the description of 'consulting fee'. Thank you for pointing out that we needed to explain that not only were they consulting but doing the total fundraising events. In these cases, it is sending out invites, catering, and raising funds for events. We have corrected this by changing all the descriptions to read: 'Fundraiser Consulting Services'.

Please note that in the future we will determine the proper categorization for all partnership contributions and will list them on the proper supporting Line 11 (a) (i) of the Detailed Summary Page.

We work hard to comply with the laws and in the future will take special care to see that these will be listed correctly. If you have any more questions, please let me know.
